Membership Secretary Report - current membership 27

Guest Speaker - none

Committee Reports

Legislative

- Legislative Report - Tim

I attended a Women's Republican dinner function (\$10). Jim Hammond will come to our meetings when invited.

Safety & Education, Willie

- Awareness Class Aug 10th at Harding Family Center (411 N 15th) in CDA, 6pm  
There was a class tonight. We try to avoid date conflicts like this as much as possible but sometimes it happens.

Post Falls is interested in us doing an S&E class. Jeremy wants to preview the material used in the class before committing. The RCC web site has all the information there. We are also in discussion with a CDA instructor. He wants us to come back. His class is on Thursdays, mid-morning, all year long. So, we have a potential to do classes at 3 locations.

The new statistics have come out in regards to motorcycle accidents. The largest increase has been in the age group 45-54.

Runs/Events, Greg

- Update on or ideas for other Runs/Events this year..and possible awareness event?

Sanctioned vs. Unsanctioned - All ABATE runs are to be approved by the State ahead of time. All ABATE Chapters are to submit to the State a run form which lists their Chapter's runs. The State then approves the runs and are listed on a central ABATE Run Calendar. All Chapter Coordinators should be aware of the form and the process policy.

Charity and Fundraising

- Chapter raffle update: we need to decide when we are going to have the drawing. I am also checking in local charities we may want to support. I will have info at September meeting. Karen is talking with a Hospice.

Chapter decided December would be a good time to have the raffle as the items would make excellent Christmas gifts.

#### Old Business

- ❑ Any updates on chapter logo, patches, and officer badges...?  
Chad has not had an opportunity to follow-up with finding a company to make the logos. Greg has been delegated the job since he gets off at 2p

#### New Business

- ❑ ANI election information - Tim  
Ballots for State Officers go out to member on or before September. Voting for a *write-in* candidate is permitted.
- ❑ RCC Newsletter - Willie  
More and more people want it. Karen has been mailing it out to those who do not have computers. Our sponsors: Do we want to start charging a small amount for sponsors? Do we want to start running ads for them?  
After a healthy discussion, Chapter members agreed to keep it simple, small and kept to local businesses. We could leave 1/2 dozen at each sponsor's location for people to pick up and read.  
Some things that could be added to the Newsletter are an Editor's column for Letters to the Editor, Road Stories (short), mechanical tips, etc. Whichever way the Chapter wants to go with the Newsletter, Willie is going to need some help in putting it together, printing and distributing.

#### Open Forum or Announcements

- ❑ NCOM Region 1 Seminar, Oct 14th in California (more info on RCC web site)
- ❑ MRF Meeting of the Minds, Sept 21-24 in Indiana (more info on RCC web site)
- ❑ Spokane Chapter meeting on July 21st, 7p, at the Volcanos (Hotties). Meetings now 1st Wed at Last Lap and 3rd Fri at Volcanos.

50/50 Draw - Greg won \$15 pot - and thank you Greg for donating it to the coffers!  
Adjournment - 7:50p

("can you say 'cheetoh's?")
