

River City Chapter Meeting Minutes
Oct. 11th, 2007, Pizza Factory, Post Falls ID

Call to Order/Introductions
Roll Call/Quorum

Secretary's Report (minutes): accepted
Treasurers Report: accepted

Membership Secretary's Report: Current membership: 19. Our two Hauser members plan to renew.

Guest Speaker: Ric Bryant (a volunteer firefighter) reported on responding to motorcycle accidents. Also known as Accident Scene Management. There are 2 major reasons when a helmet should be removed: restricted breathing and discharge from nose and ears. Discussed having accident scene management information available to the public. We will do more research to make this happen.

Committee Reports:

Legislative: Tim

Tim noted the Idaho legislative session starts in January. A helmet Bill may very well be introduced this year. The last attempt was in 2005. There were 2 higher profile motorcycle accidents this year. Rep. Phil Hart is Vice Chairman of the House Transportation and Defense Committee. Chairman Joann Woods always has voted down a helmet Bill in the past. Phil Hart may be taking her place as Chairman. The Chairman has the power to kill a bill introduced to the committee.

Report on *NCOM* Region 1 Seminar/Meetings in Spokane: Rep. Phil Hart spoke regarding how Bills are introduced and how they proceed to become a law.
